

NORTH EAST STEM AWARDS

Thursday 15th July 2021: 7:30pm – 10:00pm

This prestigious virtual awards ceremony on the 15th July 2021, celebrates and recognises North East STEM Ambassadors and STEM organisations who, through their interaction, have inspired, engaged and enthused many young people and their teachers in STEM over the past year.

We would like to take this opportunity to acknowledge the valued contribution and real difference that these people and their organisations have made to the lives of thousands of individuals in our region.

Applications are welcome from schools, teachers, non-school groups, STEM Ambassadors, STEM companies and other organisations who would like to take this opportunity to not only say 'thank you' but to reward the exceptional dedication and commitment these individuals and their organisations have shown to the STEM agenda in the North East.

There are 10 award categories open for entry, with a final closing date for submissions of 5pm on Monday 31st May 2021.

- Highest number of hours by a STEM Ambassador – this category is not open for applications and will be decided based on data taken from the STEM Learning online platform at 5pm on Monday 31st May 2021.
- Largest number of active STEM Ambassadors from a NE SME (<250 employees) – this category is not open for applications and will be decided based on data taken from the STEM Learning online platform at 5pm on Monday 31st May 2021.
- Largest number of active STEM Ambassadors from a company with 250+ employees – this category is not open for applications and will be decided based on data taken from the STEM Learning online platform at 5pm on Monday 31st May 2021.
- Highest number of hours for a new STEM Ambassador (registered between 1st April '20 and 31st May 2021) – this category is not open for applications and will be decided based on data taken from the STEM Learning online platform at 5pm on Monday 31st May 2021.
- Most inspirational Science Employer (open for applications)
- Most inspirational Technology Employer (open for applications)
- Most inspirational Engineering Employer (open for applications)
- Most inspirational Maths Employer (open for applications)
- Most inspirational STEM Employer (open for applications)
- Special individual recognition awards for outstanding contribution to STEM Education in the North East – this category will be decided by the North East STEM Hub.

This event will be held LIVE on Zoom and will be hosted by TV presenter, broadcaster and author, Dallas Campbell.
